Simi

This love was real till it wasn't real...

Falling in love is too easy
Staying in love is the tricky part
Didn't know that I would walk away (ooou ooou)
And love made me blind
Couldn't read the signs
I really thought that this was for life
Growing up with you by my side

Hope you can see the peace inside me (inside me)
It's not because of you (not because of you)
Hope you know dey follow me dey talk or whine me (whine me)
Baby I don dey move I don dey go
Everything wey you do me, I learnt my lesson (learnt my lesson)
And hopefully, you coulda paid o
On my bed when you used to hold me (hold me)
I have already seen my baby wey I overdose
My tinin darling, girl you should know when I no dey for you
Shey I carry big daddy
Shey you get big dally
Cause when the night comes closer
I go wish you closer
