

# Immortal

Simi

Take me, take me on a ride ('cause I'm feeling you)  
You dey make me feel like I'm alive  
I'm in the mood, I no go lie (can you hear me now)  
I see the vibe is on my side (is on my side)

Ah, you got me like oh-oh-oh, I  
I can do anything I like  
It feels so right  
I'm immortal tonight

Hold on tight for the ride of your life  
Don't you let go now  
My oh my, when we go live  
Don't you let go now  
We be up when we go downtown  
It's on fire but it don't burn down  
We go dey alright  
Just hold tight and don't you let go now

We can go all night (all night)  
And the vibe won't die, oh oh oh

Simi I'm down for you  
Make I go down for you  
You know I get crown for you  
I go merry go round for you  
Oh you a pretty likkle ting gyal  
Let me wan taste your melanin  
Take you for a ride, I'ma hold you tight  
Just for tonight, yeah yeah  
My naija girl up in my German  
If you're all against it we swerving  
We doing overtime, I put the work in  
Put the work in, put the work

Hold on tight for the ride of your life  
Don't you let go now  
My oh my, when we go live  
Don't you let go now  
We be up when we go downtown  
It's on fire but it don't burn down  
We go dey alright  
Just hold tight and don't you let go now

We can go all night, oh  
And the vibe won't die, oh oh oh

Gonna take a dive oh yeah  
I can do anything I like  
Na one life, oh yeah  
Just one life, no extra time  
The vibe so bonafide  
I'm feeling good yeah that's what I like yeah  
(Just hold tight and don't you let go now)

Hold on tight for the ride of your life  
Don't you let go now

My oh my, when we go live  
Don't you let go now  
We be up when we go downtown  
It's on fire but we don't back down  
We go dey alright  
Just hold tight and don't you let go now

We can go all night, oh oh  
And the vibe won't die, oh oh  
We can go all night, oh oh  
And the vibe won't die, oh oh oh
