Carelessly loving you...
Baby
...is the worst thing I could do
Baby
You tore my heart in two, baby
E dey pain
E dey pain
It's unbelievable, bae
The thing wey you dey do, bae
Sweet but hard to chew like
Sugarcane, sugarcane-cane

Shebi nah you talk say you want be my baby
Jeje mo wa o o o
Nah you talk say make I be your lady
You no dey try o
So tell me why

Why you have to go
Why you have to leave me alone
Baby no be so
I don't think I can move on, no
From you... Ooo
From you... Ooo
Can't move on
From you... Ooo
I can't move on

Hopelessly wanting you, baby
Shey me I be fooool... baby
I wish it wasn't true...
Because
E dey pain
E dey pain (e dey pain, e dey pain)
You play me like ludo, baby
You think say e good o, babe
You say you no love me again
You no dey do again
Chai
E dey pain, pain
