

# Naked Wire

Simi

You light my fire  
A burning fire  
And when you're next to me  
I know you feel my desire  
You spark my wire  
My naked wire  
I'm drowning in the depth of my desire

Do re mi  
It's the story of you and me  
When moving in harmony baby  
Oh no release me  
The language of my body  
You speak it so fluently  
You kiss me I no fit breathe  
I want more of you

Wayo wayo wayo (wayo)  
Rendezvous after we shayo  
The things that you do to me  
E dey burst my brain oh  
See I for no believe  
If no be for you and me  
As e dey hot oh  
Me no fit explain oh
