Nobody

Simi

Already told you once
Now I'm telling you twice
Me no want love wey go make me cry
I'd rather walk away than take your lies
If my heart break I go put am on ice oh
Cause I deserve better
See me now
I need a good fella
Person wey go treat me wella
Man so stellar
Cover me with hin umbrella
No one better

Make me go uuuuhhh
If you gonna love me
Then love me like I'm wanting

Cause I no go settle for
No no no no nobody
Nobody
Me no manage nobody
Me no settle for

Ayayayayayayaya ye o
Ayayayayayayaya ye

You carry charge baby - like electrolyte
I let a bad man be my kryptonite
But now I see you with my satellite
Baby you no fit hide
Shey you think wise
Uhm et vous
I tell you say I no go dey available
If you're not the one for me
Baby you see that you're replaceable
Cause I deserve better
See me now
I need a good fella
Person wey go treat me wella
Man so stellar
Cover me with hin umbrella
No one better

Make me go uuuuhhh
Do you really love me
Cos I'm looking for that something

Cause I no go settle for
No no no no nobody
Nobody
Me no manage nobody
Me no settle for
No no no no no nobody
Nobody
Me no manage nobody
Me no settle for

Ayayayayayayaya ye o
Do you see me now
Ayayayayayayaya ye
Aye ye ye yo
Me no settle no
Me no manage oh
No no no manage oh
Ohh yea
