

One Kain

Simi

Oh why, tell me why

I like to fool around with you
Cruising town with you
I like to go where you are
Yeah, like to paparazzi you
I feel something changing now
Am I mistaking now
I'm holding back
I feel something caving now
My heart misbehaving now
Eh padi lo ma je si mi
Catching feelings wey you no dey throw to me
You suppose to be close to me
But not that close to me (but not that close to me)

You looking at me one kain oh
You looking at me one kain baby
Just making me feel one kain oh
Tell me why oh why oh why
You suppose be my guy oh
You suppose my guy baby
You making me feel one kain oh
Tell me why oh why oh why
Tell me why
Feel one kain oh
Tell me why oh why oh why

I like to go party with you
Saturday night, soak garri with you
I like it when you call me
Just to check up on me
Something is changing now
I might be mistaken now
I'm holding back
Defences are breaking down
My heart misbehaving now
Ah ore lode je si mi
Catching feelings wey you no dey throw to me
You suppose to be close to me
But not that close to me

You looking at me one kain oh
You looking at me one kain baby
Just making me feel one kain oh
Tell me why oh why oh why
You suppose be my guy oh
You suppose my guy baby
You making me feel one kain oh
Tell me why oh why oh why
Tell me why
Feel one kain oh
Tell me why oh why oh why

You know if you catch my eye
Am high to hypnotise
You got me saying, su mo mi baby

All this is crazy
Padi lo ma je si mi
But something is changing
Why am I holding back
No I'm not faking now
My heart misbehaving now

You looking at me one kain oh
You looking at me one kain baby
Just making me feel one kain oh
Tell me why oh why oh why
You suppose be my guy oh
You suppose my guy baby
You making me feel one kain oh
Tell me why oh why oh why
Tell me why
Feel one kain oh
Tell me why oh why oh why
