Simi

Wetin you dey do for my dream oh boy
I dey see you anytime wey I sleep oh boy
You see me I don't need this thingoh boy
You're in my head
You're invading me oh boy

(Wahala dey)
You must be one of a kind
(Wahala dey)
Cause you won't get out of my mind
(Wahala dey)
I wanna go back to the times
(Wahala dey)
You were outta my mind

Wetin you dey do, wetin you dey do
For my head
Wetin you dey find, wetin you dey find
For my head
Wetin you dey do, wetin you dey do
For my head
Wetin you dey find, wetin you dey find
For my head
Get outta my head

Wetin you dey do for my bed oh girl
Maybe it is all in my head oh girl
Why you come dey do me this oh girl
I close my eyes
And you're all I see oh girl

(Wahala dey)
Oh you must be one of a kind
(Wahala dey)
Cause you won't get out of my mind
(Wahala dey)
I wanna go back to the time
(Wahala dey)
You were outta my mind

Wetin you dey do, wetin you dey do
For my head
(Outta my head, girl)
Wetin you dey find, wetin you dey find
For my head
Wetin you dey do, wetin you dey do
For my head
(Outta my head)
Wetin you dey find, wetin you dey find
For my head

The tin wey you do me strong

Oh baby when will you be gone
Why you dey my head for so long
