

# Running (To You)

Simi

Anybody wey wan fight you  
Make them come  
They already know  
I'll be right beside you  
Like the wall of Jericho  
They don't know  
They don't know  
They don't know what's going on

Muna gi so  
Muna gi so, muna gi so, my baby boo  
I'll be a soldier for you  
I'm getting better in kung-fu  
You should know I got you  
And you don't need to get me too  
I'll be right beside you  
In anything that you do  
If you ever need saving  
I will be running to you

Running, running, running to you  
I'll be running to you  
Running, running, running to you  
Anywhere that you go to  
Running, running, running to you  
I'll be running to you  
Running, running, running to you  
Anywhere that you go to

Whenever I'm looking for trouble  
It's 'cause I know that I got you  
Won ni mo be si everybody oh oh  
And it's because of your kung-fu  
And anytime that I'm out of control  
You hold me down, you never never let go

Muna gi so  
Muna gi so, muna gi so, my baby boo  
See all the battles you've been fighting  
And I'll be right there with you  
I may be small but I'm mighty  
And I go run am for you  
And anybody wey you sabi yeah  
If no be you ko le da bi rara  
And if I ever need saving I'll be running to you

Running, running, running to you (I'll be running)  
I'll be running to you  
Running, running, running to you (I'll be running)  
Anywhere that you go to  
Running, running, running to you  
I'll be running to you  
Running, running, running to you (Will you wait for me, you go dey for me)  
Anywhere that you go to

You don't need to worry, anything you want oh  
Sunup to sundown, loving no go run down

Anytime you call me, baby I go answer you  
Any other baga, baby make dem run away  
And if you want me coming to you, I go come through  
Or you better see me, baby don't tease me  
Tell me what you want baby say and na I'm I go do  
It's me and you baby, and you baby

If they wanna be the Judas  
If they wanna be the Pharaoh  
Me I cannot lay low  
Me I cannot do that
