

# Smile For Me

Simi

Smile for me, even if you sad o  
Be good to me, even if you bad o  
Stay with me, even if you've got some place to be  
Pray with me, even if you no believe  
Smile for me  
Baby mi please, smile ah

I, I, I want to be  
The one wey you fit die for  
I, I, I want to be  
The one who makes you do the things you thought you'd never do  
Let me be the one for you  
I, I want to be, your weakness baby

Lie to me, if the truth will break my heart o  
Sing for me, even though you voice dey crack o  
Dance with me, even if you're dancing off the beat  
Take a chance on me, don't you believe I'm worth the risk  
Smile for me, baby mi please smile

I, I, I want to be  
The one wey you fit die for  
I, I, I want to be  
The one who makes you do the things you thought you'd never do  
Let me be the one for you  
I, I want to be, your weakness baby

Will you fight for me  
Even if na Hulk Hogan o  
Take a ride with me  
Tori ko si anybody ti mo feran to, feran to e o (feran to e o)  
O baby promise me  
Promise me the world because, nothing is too much

You know that I, I want to be  
The one wey you fit die for  
I, I, I want to be  
The one who makes you do the things you thought you'd never do  
Let me be the one for you  
I, I want to be, your weakness baby  
Do the things you think sey you no go do  
Let me be the one for you  
Oh, I want to be, your weakness baby
