

# UNDESERVING

Simi

Can you see me now?

If I walked away then you would say I'm just emotional  
You make me mad then you say I'm not approachable  
I pray for peace, you got me reading them devotionals  
But nothing's changing  
Nothing's changed at all  
Everyday na one thing or the other  
You no see say you put me for trauma  
And it's feeling like we finally going under  
'Cause nothing's changing  
Nothing's changed at all

You still talk your bullshit  
You still embarrass me  
You don't come around when I need you  
That's a classic

Because my love is elastic  
Nothing's really changed 'cause

You still don't deserve me no  
You're still undeserving of my love eh  
You still don't deserve me no  
You don't deserve my love  
No more, no more

I ain't waiting for more  
Everyday is a war  
Less is better than more  
You can find the door  
I loved and I loved  
I gave and I gave  
Till I had nothing to give  
I loved like a slave  
Oh you wouldn't believe  
I cannot believe  
All the shit that you put me through  
All the shit you do

And it's feeling like we finally going under  
'Cause nothing's changing no  
Nothing's change at all

You still talk your bullshit  
You still embarrass me  
Never around when I need you  
That's a classic yeah  
Because my love is elastic  
Nothing's really changed 'cause

You still don't deserve me no  
You're still undeserving of my love  
You still don't deserve me  
You don't deserve my love  
No more, no more
