

Cruel Intentions

Simian Mobile Disco

Baby! Baby! Baby! I don't want to ever give you the
wrong idea.

Call me up! We'll hang out! I'm down for whatever!

Tell me, am I making myself clear?

Love can be a meaningless emotion

Pretty words that we're obliged to say.

Rest assured, I won't ask for your complete devotion.

Let's not let our hearts get in the way!

Whooaaaa! Finally, the weight is off our shoulders.

Play for keeps until the night is over, oooh!

Now you know of my cruel intentions, I can play a hard
game, I'll admit.

So it goes, we both know you're worthy of my affection.

You're not the one who I'll spend my life with.

Call me up! We'll hang out!

Call me up! We'll hang out! I'm down for whatever!

Whooaaaa! Finally, the weight is off our shoulders.

Play for keeps until the night is over, whooooo!

Call me up! We'll hang out! Call me up! We'll hang out!

Call me up! We'll hang out! I'm down for whatever!

Whooaaaa!

Whooaaaa! Finally, call me up! We'll hang out!

Whooaaaa! Finally, until the night is over!

Call me up! We'll hang out! I'm down for whatever!

Call me up! We'll hang out! I'm down for whatever!

Call me up! We'll hang out! I'm down for whatever!
