

Turn Up The Dial

Simian Mobile Disco

So, ha ha ha ha

You cut me up (You cut me up)
Now I'mma empty cavity
I lost my sense of gravity
Served on a grate my sanity
Psychedelic infidels
Searching for the girls who like girls
In love with notes
Chase my trailer, smoke smoke

Off key yet so clean
Systematic circuit dreams
Can't deny my sole addiction
Hear my vision, cork renditions
Ignite my solo mission
Take a look at my x-ray specs
Transmit my voodoo text
Premonitions of amazing sex, amazing sex, amazing sex

La la la la, la la la la
La la la la la la la (ha ha ha ha)
La la la la, la la la la
La la la la la la la (ha ha ha ha)

Taste the potion
It's fragrant and potent
Shifty movements
Make me lose my focus
Sensitive sergeant
Tell me who's your target
The end of obscenity, the remedy is harmless

Give a little sum'n sum'n, turn up the dial (Yeah...)
Give a little sum'n sum'n, turn up the dial (Yeah)
Give a little sum'n sum'n, turn up the dial (Yeah!)
Give a little sum'n sum'n, turn up the dial!

Oh, oh
Turn the dial
The girls from Jupiter drive me wild
She's crazy erratic
The friction, the static
Give ya sum'n sum'n that is worth your while

Oh, oh
Turn the dial
The girls from Jupiter drive me wild
She's crazy erratic
The friction, the static
Give ya sum'n sum'n that is worth your while
Worth your while
Worth your while

Ha ha ha ha
A little sum'n sum'n
A little sum'n sum'n

A little sum'n sum'n
A little sum'n sum'n
Ha ha ha ha

Give a little sum'n sum'n, turn up the dial (Yeah...)
Give a little sum'n sum'n, turn up the dial (Yeah)
Give a little sum'n sum'n, turn up the dial (Yeah!)
Give a little sum'n sum'n, turn up the dial! (YEAH!)
