

# Anticipation

Carly Simon

**D G D**  
1. We can never know about the days to come

**D G A**  
But we think about them anyway, yeah

**D G D**  
And I wonder if I'm really with you now

**G Em A D**  
Or just chasin' after some finer day

**G A D**  
R: Anticipation, anticipation

**G Em**  
Is makin' me late

**G A**  
Is keepin' me waitin'

2. And I tell you how easy it feels to be with you  
And how right your arms feel around me  
But I, I rehearsed those words just late last night  
When I was thinkin' about how right tonight might be

R: Anticipation...

3. And tomorrow we might not be together  
I'm no prophet Lord I don't know nature's ways  
So I'll try and see into your eyes right now  
And stay right here 'cause these are the good old days

These are the good old days

**G Em A D**  
And stay right here 'cause these are the good old days
