

## 8-Bit Heart

Simon Curtis

What would you say if I said that I want you?  
Would you laugh at me  
and maybe think I was crazy?  
'Cause I don't know any other way  
than to say the way that I feel  
But it doesn't ever work  
and it hurts to the bone  
always feeling so damn alone

Is it so, so wrong to love?  
Baby is it so, so wrong to love?  
Is it so, so wrong to love  
and to be loved in return?

I don't know what to do  
'cause I think that I need you  
And I'm afraid 'cause intuition's telling me  
that you don't feel the same  
Ooh I wanna hold your hand  
but I don't think you understand  
just how I'm feeling inside  
Oh baby please don't play with strings that dangle me  
because I'd rather have nothing than lies
