

Alone

Simon Curtis

This is how I feel when I'm with you
This is how I feel on my own
It's not working, can't you see?
Baby, this is not the life for me
So I'd rather be alo-one

I'd rather be alo-o-one
Wo-o-o-oah
Wo-o-o-oah
A-ah-o-oh-oh
Be alo-o-one
Wo-o-o-oah
Wo-o-o-oah
A-ah-o-oh-oh

You really got to be
Blind if you can't see
This is not what's meant to be
Not what's supposed to be
I've been trying so long
I can't even recall
How it's supposed to feel
Whenever this is real

Take my ha-a-a-a-and
And listen
It's the e-e-e-e-end

This is how I feel when I'm with you
This is how I feel on my own
It's not working, can't you see?
Baby, this is not the life for me
So I'd rather be alo-one

I'd rather be alo-o-one
Wo-o-o-oah
Wo-o-o-oah
A-ah-o-oh-oh
Be alo-o-one
Wo-o-o-oah
Wo-o-o-oah
A-ah-o-oh-oh

You never treated me right
Once in my whole life
And I need to be
How I deserve to be
I finally get up and go
But I think you should know
That you're sinkin'
What was I thinkin'?

Take my ha-a-a-a-and
And listen
It's the e-e-e-e-end

This is how I feel when I'm with you

This is how I feel on my own
It's not working, can't you see?
Baby, this is not the life for me
So I'd rather be alo-one

Take my hand
And listen
It's the end

Oh, now I gotta go
Baby, but you oughta know
Nobody ever gets to take me for granted
You used to tell me that nobody ever loved me
Like you
But I think I'm gonna take my chances

This is how I feel when I'm with you
This is how I feel on my own
It's not working, can't you see?
Baby, this is not the life for me
So I'd rather be alo-one

I'd rather be alo-o-one
Wo-o-o-oah
Wo-o-o-oah
A-ah-o-oh-oh
Be alo-o-one
Wo-o-o-oah
Wo-o-o-oah
A-ah-o-oh-oh

Take my ha-a-a-a-and
(And listen)
(It's the e-e-e-e-end)
