

# Detox

Simon Curtis

You're up against  
The people  
Trying to  
Take back  
Your music  
It's like a reclamation  
You against the heat  
You gotta get  
In the zone  
You gotta  
Get in the zone

Detoxify  
Detoxify

Not that long ago  
I loved nobody more  
To make you happy  
Baby  
I thought you were born  
I had to watch  
You play around  
With those boys  
Anticipating  
When you make  
Some more noise

I felt so lucky  
To have you  
In my life  
I looked the other way  
As you walked on by  
But everytime  
I see you  
Now I deploy  
Please mona lisa  
Baby  
Hit me one more time

It just got so crazy  
I thought  
You were stronger  
Oh baby baby  
Can't wait that much longer

Don't believe  
I just don't believe it  
Said you beat it  
But I don't believe it  
So I think you need it  
Don't think you need it  
Don't repeat it  
Detox

You need it  
Don't deny it  
You just don't deny it

Try to hide it  
But you can't deny it  
So I don't defy it  
You can't justify it  
Rigidify it  
And detoxify it

You're up against the people  
Trying to take back your music  
It's like a reclamation  
You against the heat  
You gotta  
Get in the zone  
You gotta  
Get in the zone

And if you really wanna fight it  
Saddle up  
And let your rhythm reignited it  
Try to hit it  
In a minute I'm gonna take you on  
I'm gonna take you on

Now I can see  
You're just a girl  
You are not  
Don't let me be  
The last to know  
When you thought  
'Bout where you're gonna go  
Before the goodbye

I try and try  
But I can't get satisfied  
Sometimes I feel  
The answer  
You give is poor  
I'm about to tell you  
Don't go knockin'  
On my door

It just got so crazy  
I thought you were stronger  
Oh baby baby  
Can't wait that much longer

Don't believe  
I just don't believe it  
Said you beat it  
But I don't believe it  
So I think you need it  
Don't think you need it  
Don't repeat it  
Detox  
You need it

Don't deny it  
You just don't deny it  
Try to hide it  
But you can't deny it  
So I don't defy it  
You can't justify it  
Rigidify it

And detoxify it

Don't believe  
I just don't believe it  
Said you beat it  
But I don't believe it  
So I think you need it  
Don't think you need it  
Don't repeat it  
Detox  
You need it

Don't deny it  
You just don't deny it  
Try to hide it  
But you can't deny it  
So I don't defy it  
You can't justify it  
Rigidify it  
And detoxify it

You're up against the people  
Trying to take  
Back your music  
It's like a reclamation  
You against the heat  
You gotta  
Get in the zone  
You gotta  
Get in the zone

And if you really wanna fight it  
Sattle up  
And let your rythm renighted it  
Try to hit it  
In a minute imma take you on  
Imma take you on
