

FAIRYBOY

Simon Curtis

Don't be, curly
What's so wrong with that?
What's so wrong with that?
Boys fight, you cry
What's so wrong with that?
What's so wrong with that?

So you wanna give up?
You're not gonna give up
'Cause we never give up
Baby you got magic

Gotta kill that lisp
Ain't taking no risk
Oh
F-A-I-R-Y-B-O-Y
When you walk those hips
And it goes swish swish
Oh
F-A-I-R-Y-B-O-Y

All you wanted was love
All you needed was love
So you're gonna get love
We all deserve
All you wanted was love
All you needed was love
So you're gonna get love
We all deserve

Love

Hold to the colours inside you
What's so wrong with that?
Nothing's wrong with that

So you wanna give up?
You're not gonna give up
'Cause we never give up
Baby you got magic

Gotta kill that lisp
Ain't taking no risk
Oh
F-A-I-R-Y-B-O-Y
When you walk those hips
And it goes swish swish
Oh
F-A-I-R-Y-B-O-Y

All you wanted was love
All you needed was love
So you're gonna get love
We all deserve
All you wanted was love
All you needed was love
So you're gonna get love

We all deserve

Wish I may, oh wish I might
You're my shooting star tonight
Oh
F-A-I-R-Y-B-O-Y
Dynamite, oh dynamite
Pin drop, gonna blow up tonight
Oh
F-A-I-R-Y-B-O-Y

All you wanted was love
All you needed was love
So you're gonna get love
We all deserve
All you wanted was love
All you needed was love
So you're gonna get love
We all deserve
