

# I'm Not Sorry

Simon Curtis

All my life  
I've felt like  
I had to apologize  
For the way that I am  
So many years like that  
In my fears like that  
Too many tears like that  
That's all over

All the voices, fucked up choices  
In and out of my head, oh-whoa  
Now it's Simon 3.0  
With my middle finger up to the sky

I'm not sorry, I'm not sorry  
I'm not sorry anymore  
I'm not sorry, I'm not sorry  
I'm not sorry anymore

All my life  
I've felt like  
I had to apologize  
For the way that I am  
So many years like that  
In my fears like that  
Too many tears like that  
That's all over

All the voices, fucked up choices  
In and out of my head, oh-whoa  
Now it's Simon 3.0  
With my middle finger up to the sky

I'm not sorry, I'm not sorry  
I'm not sorry anymore  
I'm not sorry, I'm not sorry  
I'm not sorry anymore

I'm not sorry, I'm not sorry  
I'm not sorry anymore  
I'm not sorry, I'm not sorry  
I'm not sorry anymore
