

# Pain

Simon Curtis

My lips  
Our hips  
The tips  
Of our fingers  
As we start  
My heart begins  
To break apart  
I'm caught in the ocean  
Of all this emotion  
Afraid that I'm drowning  
Don't you see me down  
I might run out of air  
But I know you don't care  
Oh I'm such a fool

Do you feel my pain  
Ohh  
Feel my pain  
Ohh  
Up in my body  
But not in my heart  
And I can't do this no more  
Feel my pain

Love him but I let it  
Linger  
Strumming my pain with his  
Finger  
Love him but I know  
He don't want it  
Don't want it  
No  
Living a life that don't fit me  
Sometimes I wish that he'd hit me  
Hit or a kiss  
It don't matter no more  
I'm caught in the ocean  
Of all this emotion  
Afraid that I'm drowning  
Don't you see me down  
I might run out of air  
But I know you don't care  
Oh I'm such a fool

Do you feel my pain  
Ohh  
Feel my pain  
Ohh  
Up in my body  
But not in my heart  
And I can't do this no more  
Feel my pain

Feel my pain

Take it away  
Away

Take it away  
Away  
Take it away  
Away  
Take it away  
Away

Take it away  
Away  
Take it away  
Away  
Take it away  
Away  
Take it away  
Away

Sometimes I fantasize about suicide  
And it kind of seems good at the time  
Then I think about it and I change my mind  
When you get down to it  
I don't wanna die  
Then I feel ashamed cause that's so weak  
Got too many fucking feelings and I can't keep  
Track of what's real and what's fake  
I only wanna go away

Say that you love me  
Say that you need me  
Say that you'll never  
Ever ever go away

Say that you love me  
Say that you need me  
Say that you'll never  
Ever ever go away

Away

Say that you love me  
Say that you need me  
Say that you'll never  
Ever ever go away

Say that you love me  
Say that you need me  
Say that you'll never  
Ever ever go away

Say that you love me  
Say that you need me  
Say that you'll never  
Ever ever go away

Say that you love me  
Say that you need me  
Say that you'll never  
Ever ever go away

Away
