

Pharaoh

Simon Curtis

Boy you a God
I'm a believer
Gimme what you got
I'm a receiver
You can keep it on the side
On the low
I'd wait a thousand nights
For your love

Want you to rule my body
For a thousand years
I wanna build a pyramid
As a temple for where we make love
I will pray to you
Be a Slave 4 U
Call upon the Gods
Make it rain for you

Cause baby
You my pharaoh
A ohhh
Oh ohhh yeah
Oh yeah ohhh
A ohhh
Pharaoh
Oh ohhh yeah
Oh yeah ohhh
Open up your eyes and you see
A ohhh
I could be your prophecy
A ohhh
A ohhh
Pharaoh
Oh ohhh yeah
Oh yeah ohhh

Oh you a king
I call you daddy
Tie me up tight
I'll be ya mummy
Put me in chains
In the dungeon
I'd take a hundred kinds of pain
Just to touch ya

Want you to rule my body
For a thousand years
I wanna build a pyramid
As a temple for where we make love
I will pray to you
Be a Slave 4 U
Call upon the Gods
Make it rain for you

Cause baby
You my pharaoh
A ohhh

Oh ohhh yeah
Oh yeah ohhh
A ohhh
Pharaoh
Oh ohhh yeah
Oh yeah ohhh
Open up your eyes and you see
A ohhh
I could be your prophecy
A ohhh
A ohhh
Pharaoh
Oh ohhh yeah
Oh yeah ohhh
