

# Please Don't Let Me Go

Simon Webbe

I hate this silence between us  
When there's so much left to say  
You used to be the one to lean on  
And now you're pushing me away

All the trials and tribulations  
And all the battles we have won  
The unspoken stipulation  
You'll always be the one

You don't think I know this  
All the secrets you hold inside  
But I won't turn my back on what is right

How can you this justice  
How could you ever go and break my heart  
When I thought I gave you everything  
I'll do anything, my baby

This ain't no kind of justice  
Can't you see that I'm falling apart  
I'ma fight when things get difficult  
Then you're beautiful, my baby, my baby

I'm begging, please don't let me go  
I'm begging, please don't let me go

You've always been my weakness  
That ain't gonna change  
I'm hoping there's a way to fix this  
Before we throw it away

You don't think I know this  
All the secrets you hold inside  
But I won't turn my back on what is right

How can you this justice  
How could you ever go and break my heart  
When I thought I gave you everything  
I'll do anything, my baby

This ain't no kind of justice  
Can't you see that I'm falling apart  
I'ma fight when things get difficult  
Then you're beautiful, my baby, my baby

I'm begging, please don't let me go  
I'm begging, please don't let me go

Ooh, I'm gonna fight it  
You baby, [?] know you

How can you this justice  
How could you ever go and break my heart  
When I thought I gave you everything  
I'll do anything, my baby

I'm begging, please don't let me go  
I'm begging, please don't let me go  
I'm begging, please don't let me go  
I'm begging, please don't let me go
