

# Fight Or Flight

Simone Simons

Frozen in fear  
Don't want to be here  
I can feel the dark surround me  
Sense you drawing near

Don't know why I hold on  
When it's clear the feeling is gone  
No more to rise

Standing face to face  
Contempt in your eyes  
In my veins the poison of doubt  
My own demise

Staring into your sun  
Fallen blind, unable to run  
I turn to ice

Fight or flight, I'm cast in stone  
My heart is racing, I'm blood and bone  
Fight or flight, rise up or fall  
Embrace the danger, or lose, lose it all

The deepest of graves  
It won't hold you down  
I can build a fortress of stone  
It won't keep you out

Fight or flight, I'm cast in stone  
My heart is racing, I'm blood and bone  
Fight or flight, rise up or fall  
Embrace the danger, or lose, lose it all

It's all in vain, I'm twisted and torn  
Emotions raging, I'm lost in the storm  
Now the end has begun  
My will shall be done  
Rise up and seize the light  
Fight or flight

Nothing will change  
Only one thing remains  
Take my place among the fallen  
Or stand and face the pain

It's all in vain, I'm twisted and torn  
Emotions raging, I'm lost in the storm  
Now the end has begun  
My will shall be done  
Rise up and seize the light  
Fight or flight

Rise up, my heart is racing  
I will rise up and walk in the light  
I feel the fear taking flight  
I know I'm ready to fight
