

Adrenaline

Simple Creatures

I hear your voice in flashbacks
You act like it never happened
Dynamite and whiplash
Kill me with your favorite weapon
So happy anniversary
Now point the finger back at me
Brokenhearted surgery
You don't know what you do to me, do to me, do to me

But I can feel you all the way from my coffin in LA
When I'm six feet underneath my misery
Come and hit me with adrenaline
Come and hit me with adrenaline
Come on hit me could you hit me
When I'm six feet underneath my misery
Come and hit me with adrenaline

Biting on a cigarette
Ditch me like a dirty habit
Run your mouth and lose your head
You're so idiosyncratic
But you're no Marie Antoinette
So save it for the internet
I think we're failing to connect
You don't know what you do to me, do to me, do to me

But I can feel you all the way from my coffin in LA
When I'm six feet underneath my misery
Come and hit me with adrenaline
Come and hit me with adrenaline
Come on hit me could you hit me
When I'm six feet underneath my misery
Come and hit me with adrenaline

But I can feel you all the way from my coffin in LA
When I'm six feet underneath my misery
Come and hit me with adrenaline
Come and hit me with adrenaline
Come on hit me could you hit me
When I'm six feet underneath my misery
Come and hit me with adrenaline

Come and hit me with adrenaline
Hit me with adrenaline
