

## Special

## Simple Creatures

Nothing sinister starts out sober  
Sometimes the chemicals work me over  
The things you learn at 4 AM  
When do I become who I am?

Save your blast from the past, this is not a mirage  
I'm a stolen car in a parking garage  
On your hands and your knees, do you feel in charge?  
Crawling back to who you were

I just wanna feel good  
I wanna feel special  
Deep down underneath the pressure  
I wanna fake my pain away  
I wanna fake my pain away  
I just wanna feel good  
I just wanna feel good  
And fake my pain

I just wanna feel good  
I just wanna feel good

Where's the time go? Here comes the heavy load  
I've got two houses and a hungry, hungry ego  
Hard to make the best of a good thing now

'Cause this town's too big, too big for the one of me  
Sometimes you'll make friends with the enemy  
Am I the one on the phone or a wannabe?  
Are you crawling back to who you were?

'Cause I just wanna feel good  
I wanna feel special  
Deep down underneath the pressure  
I wanna fake my pain away  
I wanna fake my pain away  
I just wanna feel good  
I just wanna feel good  
And fake my pain

I just wanna feel good  
I just wanna feel good

I just wanna wake up  
Put a smile on my face that isn't made up  
Float just like a feather  
Or sink just like a stone thrown in a river

I just wanna feel good  
I wanna feel special  
Deep down underneath the pressure  
I wanna fake my pain away  
I wanna fake my pain away  
I just wanna feel good  
(I wanna feel special)  
When the hell is it gonna get better?  
I just wanna feel good

And fake my pain

I just wanna feel good
