

# Thanks, I Hate It

## Simple Creatures

Throw another penny in the fountain  
Leave my dead body on the side of a mountain  
You bathe in the light of a trash fire  
I see the stars in the eyes of a vampire

I'm too sweet to be salty about it  
And too sour to be happy without it  
I'm just here for your entertainment  
I'll spit my teeth out on the pavement

Woah-oh-oh  
Am I good enough for you?  
Woah-oh-oh  
Am I good enough for you?

I don't owe you anything  
But I'll give you everything  
Watch you pile it up and sing  
"Thanks, I hate it"  
No, you're never satisfied  
Now you wanna run and hide  
Can't you look me in the eyes and say  
"Thanks, I hate it"

I know I meant nothing to ya  
Crucify me, hallelujah  
Make believe that we will never change  
Stay the same but kinda different  
Read my mind but say you didn't  
Hurry up so I don't have to wait

Woah-oh-oh  
Just shut up and take the stage  
Woah-oh-oh  
This outrages all the rage

I don't owe you anything  
But I'll give you everything  
Watch you pile it up and sing  
"Thanks, I hate it"  
No, you're never satisfied  
Now you wanna run and hide  
Can't you look me in the eyes and say  
"Thanks, I hate it"
