

Help me survive this sequel
Help me inside this one eyed play
Shouldn't me from this mystery wings

Surrender me into another day
The moments high the wait is long
Did i dream
Cause Liaison
The moments high the wait is long
The moments high the wait is long
Did i dream
Cause Liaison

The moments high, the wait is long
So you passed by my window
Saw you pass by my broken stents
The moments high the wait is long
Did i dream
Cause Liaison
The moments high the wait is long
The moments high the wait is long
Did i dream
Cause Liaison

The moments high the wait is long
Help me survive this sequel
Help me inside this one eyed play
The moments high the wait is long
