

New Sunrise

Simple Minds

I tried to write this song.
I tried to memorize.
Such a long time ago,
More than I realize.

New sunshine morning,
Brightens up my eyes.
Carries, carries me homeward,
Into a new sunrise.

And are you bitter still?
Did I not pay the price once or twice?
Try to forget me now.
Try to forget about all these lies.

New sunshine morning,
Brightens up my eyes.
Carries, carries me homeward,
Into a new sunrise.

So much of the story isn't told.
Can you sympathize?
Seems like a lifetime ago.

You tried to wreck my soul.
I tried to cheat and lie.
Try to forget me now please.
Only a moment in our lives.

New sunshine morning,
Brightens up my eyes.
Carries, carries me homeward,
Into a new sunrise.

New sunshine morning.
New sunshine morning.
New sunshine morning.
Into a new sunrise.

Carry me, carry me, homeward.
Carry me, carry me.
Carry me, carry me, homeward.
Carry me, carry me
