

# Your Name In Lights

Simple Minds

Was it something that you dreamed of?  
Something that you prayed  
Your name in lights  
Always seem to be a  
Part of the train  
With your name in lights

Unique from the get-go, written in your plan  
Lightning in a bottle, no time for us to rest  
Never be a victim, never choose to lose  
Standing at the crossroads, looking for a muse

And this'll pass away my friend  
And this'll all fade away  
Whoa, whoa, whoa  
Whoa, whoa, whoa  
Your name in lights  
Your name in lights

Never sentimental, never afraid  
Not much devotion in the games that we played  
And you never felt cruel  
Never saw the wreckage that lights me and you  
And you won't stop, don't stop  
No you can't stop, this life I see through  
And you won't stop, don't stop  
No you can't stop, still I can see you

And this'll pass away my friend  
Yes this'll all fade away yeah  
And this'll pass away my friend  
Yes this'll all fade away yeah

Whoa, whoa, whoa  
Whoa, whoa, whoa  
Whoa, whoa, whoa  
Your name in lights  
Whoa, whoa, whoa  
Your name in lights  
Your name in lights
