**Simple Plan**

```

1. I heard you're doing okay
                       F
   But I want you to know
   I'm addict
                     C
   I'm addicted to you
   I can't pretend I don't care
                                F
   When you don't think about me
   Do you think I deserve this?

        Dmi
X: I tried to make you happy
              G
   but you left anyway

          C
R: I'm trying to forget that
           F          G
   I'm addicted to you
           C
   But I want it and I need it
           F          G
   I'm addicted to you
             Dmi
   Now it's over
            F               G
   Can't forget what you said
          Dmi          F         G
   And I never wanna do this again

2. Since the day I met you
   And after all we've been through
   I'm still addict
   I'm addicted to you
   I think you know that it's true
   I'd run a thousand miles to get you
   Do you think I deserve this?

     Dmi
X: I tried to make you happy
                        G
   I did all that I could
   Dmi
   Just to keep you
                     G
   But you left anyway

R: I'm trying to forget that...

   Dmi             F      G
*: How long will I be waiting?
```

```
   Dmi       F       G
   Until the end of time
     Dmi              F          G
   I don't know why I'm still waiting
   Dmi                F-G
   I can't make you mine

R: I'm trying to forget that...

        C
   Heartbreaker
         F          G
   I'm addicted to you
