

# Anxiety

Simple Plan

Anxiety, anxiety  
Get away, get away, get away, get away  
Get away from me  
Anxiety, anxiety

The pressure comes, I can feel it now  
I'm just another tragic case of  
The only one I was missing out  
Comparisons I can't escape from

All these voices circling my head  
(Oh, oh, oh, oh, oh-oh)  
I wish I was someone else instead  
'Cause it all just brings me down

Anxiety is killing me  
All of these expectations  
Are shaking up my sanity  
I'm getting so tired of faking now

It's all so much that I can't breathe  
There must be something wrong with me  
Reality is killing me  
It's giving me, anxiety

Get away, get away, get away, get away  
Get away from me  
Anxiety, anxiety  
Get away, get away, get away, get away  
Get away from me  
Anxiety, anxiety

I try to run, gotta separate  
It's everywhere, it's all around me  
I try to sleep but I'm wide awake  
'Cause every dream is filled with envy

All these voices circling my head  
(Oh, oh, oh, oh, oh-oh)  
I wish I was someone else instead  
'Cause it all just brings me down

Anxiety is killing me  
All of these expectations  
Are shaking up my sanity  
I'm getting so tired of faking now

It's all so much that I can't breathe  
There must be something wrong with me  
Reality is killing me  
It's giving me, anxiety

Get away, get away, get away, get away  
Get away from me  
Anxiety, anxiety  
Get away, get away, get away, get away  
Get away from me

Anxiety, anxiety

Everything, everything off  
Don't ever, don't ever look back  
Turn everything, everything off  
Don't ever, don't ever look back

Let's turn everything, everything off (Turn everything off)  
Don't ever, don't ever look back (Don't ever look back)  
Let's turn everything, everything off (Turn everything off)  
Don't ever, don't ever look back  
'Cause it all just brings me down

Anxiety is killing me  
All of these expectations  
Are shaking up my sanity  
I'm getting so tired of faking now

It's all so much that I can't breathe  
There must be something wrong with me  
Reality is killing me  
It's giving me, anxiety

Get away, get away, get away, get away  
Get away from me  
Anxiety, anxiety  
Get away, get away, get away, get away  
Get away from me  
Anxiety, anxiety
