

# Anything

## Simple Plan

These days I can't help but wonder why  
I stick to my illusions to carry on  
I'm so ashamed to dream of you  
I guess that your out of my league

How I wish that someday  
I could belong to your world  
Really wish that someday  
You'd just take me away

I'll do anything  
To hold you in my arms  
To try to make you laugh  
Somehow I can't put you in the past  
I'll do anything  
To fall asleep with you  
I know I'm not that cool  
So maybe I should just forget you

Now you set your eyes on me  
I turn myself around to see  
When your eyes meet mine you'll say  
Sorry, then you'll look away

How I wish that someday  
I could belong to your world  
Really wish that someday  
You'd just take me away

I'd do anything  
To hold you in my arms  
To try to make you laugh  
Somehow I can't put you in the past  
I'd do anything  
To fall asleep with you  
I know I'm not that cool  
So maybe I should just forget you

I close my eyes  
There's nothing I can do to get you  
You're on your own  
I close my eyes  
There's nothing I can do to get you  
You're on your own

I'll do anything  
To hold you in my arms  
To try to make you laugh  
Somehow I can't put you in the past  
I'd do anything  
To fall asleep with you  
I know I'm not that cool  
I'm not that cool

I'd do anything  
To fall asleep with you  
I'd do anything

There's nothing I won't do  
I'd do anything  
To fall asleep with you  
I'd do anything  
I know you'll never feel the same way too
