

# Bigger

## Simple Plan

Something is coming  
My blood is pumping  
Pure inspiration  
Fueled in my imagination

My brain keeps going  
Genius overflowing

Let's make it bigger  
I'll make it jump higher  
I'll make it run faster, stronger  
Going on forever

Let's make it bigger  
(Better, faster, stronger)  
Hey, hey  
Let's make it bigger  
(Better, faster, stronger)  
Hey, hey

Something is pushing  
The limits are fading  
All new creation  
Reaching top acceleration

My brain keeps going  
Genius overflowing

Let's make it bigger  
I'll make it jump higher  
I'll make it run faster, stronger  
Going on forever

Let's make it bigger  
(Better, faster, stronger)  
Hey, hey  
Let's make it bigger  
(Better, faster, stronger)  
Hey, hey

My brain keeps going  
Genius overflowing  
The walls keep falling  
Dreams ever expanding

Let's make it bigger  
Let's make it bigger

Let's make it bigger  
I'll make it jump higher  
I'll make it run faster, stronger  
Going on forever

Let's make it bigger  
(Better, faster, stronger)  
Hey, hey  
Let's make it bigger

(Better, faster, stronger)  
Hey, hey
