

# Don't Wanna Think About You

Simple Plan

Can you leave me here alone now  
I don't wanna hear you say  
That you know me  
That I should be  
Always doin what you say

Cuz I'm tryin to get through today  
And there's one thing I know

I don't wanna think about you  
Think about me  
Don't wanna figure this out  
I Don't wanna think about you  
Or think about nothin  
Don't wanna talk this one out  
I won't let you bring me down  
Cuz I know  
I don't wanna think about you

Don't wanna think about you

When I wake up here tomorrow  
Things will never be the same  
Cuz I won't wait  
Cuz you won't change  
And you'll always be this way

Now I'm gonna get through today  
And there's one thing I know

I don't wanna think about you  
Think about me  
Don't wanna figure this out  
I don't wanna think about you  
Or think about nothin  
Don't wanna talk this one out  
This time I won't let you bring me down  
Won't let you shut me out  
This time I know  
I don't wanna think about you

Run away  
Run away  
Running as fast as I can  
Run away  
Run away  
I'll never come back again  
Run away  
Run away

Don't wanna think about you  
Think about me  
Don't wanna figure this out  
Don't wanna think about you  
Think about me  
Don't wanna talk this one out

I don't wanna think about you  
Think about me  
Don't wanna figure this out (figure this out)  
I don't wanna think about you  
Or think about nothin  
Don't wanna talk this one out  
This time I won't let you bring me down (bring me down)  
Won't let you shut me out (shut me out)  
This time I know  
I don't wanna think about you

Run away  
Run away  
I don't wanna think about you  
Run away  
Run away  
I don't wanna think about you  
Run away  
Run away  
I don't wanna think about you
