

# Holding On

Simple Plan

**Es As B**

**Es B Fmi As**  
In the night there's a fire in my eyes

**Es B Fmi As**  
And this paradise has become a place we've come to cry

**Cmi B**  
When I open your letter, the words make it better

**Fmi As**  
It takes it all away

**Es As Cmi**

**B**  
It keeps me holding on
