

# I Can Wait Forever

## Simple Plan

Emi G D A

**G** **D** **Emi**  
1. You look so beautiful today  
**C** **Emi** **D**  
When you're sitting there it's hard for me to look away  
So I try to find the words that I could say  
I know distance doesn't matter but you feel so far away  
**Ami** **Emi** **D**  
And I can't lie, but every time I leave my heart turns gray  
**Ami** **G** **D** **C**  
And I wanna come back home to see your face tonight  
**D**  
Cuz I just can't take it

**G**  
R: Another day without you, with me  
**Emi**  
Is like a blade that cuts right through me  
**D** **C**  
And I can wait, I can wait forever  
**G**  
When you call, my heart stops beating  
**Emi**  
When you're gone, it won't stop bleeding  
**D** **C**  
I can wait, I can wait forever

2. You look so beautiful today  
It's like every time I turn around, I see your face  
The thing I miss the most is, waking up next to you  
When I look into your eyes, man I wish that I could stay  
  
And I can't lie, every time I leave my heart turns gray  
And I wanna come back home to see your face  
And I cuz I just can't take it

R: Another day without you, with me  
Is like a blade that cuts right through me  
And I can wait I, can wait forever  
(I can wait forever)  
When you call, my heart stops beating  
When you're gone, it won't stop bleeding  
I can wait I can wait, I can wait forever

**G D Emi C G D (2x)**

**C** **Emi**  
\*: I know it feels like forever  
**Ami** **D**  
I guess it's just the price I gotta pay  
**C**  
But when I come back home  
**Emi**  
To feel your touch, makes it better  
**Ami** **C**

Until that day there's nothing else I can do  
"And I just can't take it"

**C**                    **D**  
(I just can't take it)

R: Another day without you, with me  
Is like a blade that cuts right through me  
And I can wait I, can wait forever  
(I can wait forever)  
When you call, my heart stops beating  
When you're gone, it won't stop bleeding  
I can wait, I can wait, I can wait forever!
