

Iconic

Simple Plan

I'm gonna be iconic, yeah
Na-na-na-na-na-na-na-na
I'm gonna be iconic

Say you wanna make it on your own
It's nothing but a fantasy
Maybe you should grow up, let it go
Woah-oh-oh, woah, oh-oh

You're never gonna win, just go back home
Back to reality
Give it up kid, it isn't in your bones
Woah-oh-oh, woah, oh-oh

I'll remember every word they say
It's only pouring gas on the flame

They say I'll never leave a legacy
But one day, you're gonna see the best of me
Make no mistake
Whatever it takes

Knocked down, the story of a champion
Next round, I'll never be the same again
Wait till you see
I'm gonna be iconic, yeah
Na-na-na-na-na-na-na-na
I'm gonna be iconic

I played it in my head a million times
Started with my destiny
Gather up your daydreams, say goodbye
Woah-oh-oh, woah, oh-oh

Kill the lights, feel the moment, this is it
Everybody's eyes on me
I always knew that I was meant for this
Woah-oh-oh, woah, oh-oh

I'll remember every word they say
It's only pouring gas on the flame

They say I'll never leave a legacy
But one day, you're gonna see the best of me
Make no mistake
Whatever it takes

Knocked down, the story of a champion
Next round, I'll never be the same again
Wait till you see
I'm gonna be iconic
Na-na-na-na-na-na-na-na
I'm gonna be iconic

They say I'll never leave a legacy
But one day, you're gonna see the best of me
Wait till you see

I'm gonna be iconic

They say I'll never leave a legacy
But one day, you're gonna see the best of me
Make no mistake
Whatever it takes

Knocked down, the story of a champion
Next round, I'll never be the same again
Wait till you see
My legacy, so clear to me
I'm gonna be iconic, yeah
Na-na-na-na-na-na-na-na
Iconic
I'm gonna be iconic
