

# Meet You There

## Simple Plan

**C** 1. Now you're gone I wonder why you left me here,  
**F**

**C**  
I think about it on, and on,  
**F**  
and on, and on, and on, again.

**C** I know you're never coming back,  
**F**

**C**  
I hope that you can hear me,  
**F**  
I'm waiting to hear from you..

Until I do,

**Ami**  
You're gone away,

**Emi**  
I'm left alone,

**F**  
A part of me is gone,  
A part of me is gone

**Am**  
**Ami**  
And I'm not moving on,

**Emi**  
So wait for me,

**F**  
I know the day will come..

**C**  
R: I'll meet you there,  
**F**  
No matter where life takes me to,

**C**  
I'll meet you there,  
**F**  
And even if I need you here,

**C**  
I'll meet you there.

2. I wish I could have told you,  
The things I kept inside,  
But now I guess its just too late.  
So many things remind me of you,  
I hope that you can hear me,  
I miss you, this is goodbye, one last time..

**Ami**  
You're gone away,

**Emi**  
I'm left alone,

**F**  
A part of me is gone,  
A part of me is gone

**Am**  
**Ami**  
And I'm not moving on,

**Emi**

So wait for me,

**F**

I know the day will come..

R: I'll meet you there...
