

# Save You

## Simple Plan

**Ami F C G**  
1. Take a breath, I pull myself together  
**Ami F C G**  
Just another step until I reach the door  
**Ami F C G F**  
You'll never know the way it tears me up inside to see you

**G F**  
X: I wish that I can tell you something  
**G**  
To take it all away

**C G**  
R: Sometimes I wish I could save you  
**Ami F**  
And there's so many things that I want you to know  
**C G**  
I won't give up till it's over  
**Ami**  
If it takes you forever  
**F**  
I want you to know

2. When I hear your voice, it's drowning into whispers  
You're just skin and bones, there's nothing left to take  
No matter what I do I can't make you feel better

X: If only I could find the answer  
To help me understand

R: Sometimes I wish I could save you...

**F G**  
\*: If you fall, stumble down  
**C Ami**  
I'll pick you up off the ground  
**F G**  
If you lose faith in you  
**C G**  
I'll give you strength to pull through  
**F G**  
Tell me you won't give up  
**F Ami B**  
Cause I'll be waiting if you fall  
**G**  
You know  
**C F**  
I'll be there for you

**Ami-F-C-G (3x)**

X: If only I could find the answer  
To take it all away

I won't give up till it's over  
If it takes you forever
