Where real life can wait

I remember summer mornings  
And summer evenings  
A  
Now you're right next to me  
And I am freezing

was it real?  
Oh baby tell me, was I dreaming?  
G  
How can you show me paradise,  
When I'm leaving?

Now my heartbeat is sinking  
Hope is shrinking  
A  
When I try to speak no words  
Lip-syncing  
Bm  
Hope this is not just wishful thinking  
G  
Tell me that you care  
And I'll be there in a heartbeat

Bm G  
Someday  
D A  
I will find my way back  
Bm G  
To where your name  
F#7  
Is written in the sand

(Yeah, yeah, yeah, let's go)

[Chorus]

We were never gonna say goodbye

G D  
Tell me how to get back to  
A Bm A G  
Back to summer paradise with you  
A  
(And I'll be there in a heartbeat)

I remember when we first kissed  
A Bm A G  
And how I didn't wanna leave your lips  
D A  
And how I've never ever felt so high
