

# The End

## Simple Plan

**As** **B**  
I see you next to me but still you feel so far away  
**Cmi**  
Where did we go wrong?  
**As** **B** **G**  
I guess this is part when you look at me and say goodbye  
  
**Cmi** **As**  
Don't, don't let me go  
**Es B**  
It's not the end  
**As B Cmi**  
Girl you know,  
**As**  
It's not so bad  
**Es**  
It's not the end  
**B**  
You know it's not the end  
  
**Es** **B**  
What can I do when you're gone?  
**C# Cmi B**  
When it feels so wrong?  
**Es B Cmi**  
What can I say to make you wanna stay?  
**Es**  
So what can I do?  
**B**  
Don't leave me this way!  
**C# Cmi B**  
Cause it feels so wrong  
**Es**  
Stop all these games  
**B** **G**  
Cause I just can say goodbye
