## Simple Plan

**C#**

I open my eyes

**E**

I try to see but I'm blinded by the white light

**C#**

I cant remember how

**C#**

I cant remember why

**E**

**B**

Im lying here tonight

**A**

**B**

And I cant stand the pain

**C#**

**E**

And I cant make it go away

**A**

**B**

No I cant stand the pain

**E**

How could this happen to me

**C#**

I made my mistakes

**A**

Ive got no where to run

**B**

The night goes on

**E**

As Im fading away

**C#**

Im sick of this life

**A**

I just wanna scream

**B**

**E**

How could this happen to me

**C#**

Everybodys screaming

**E**

I try to make a sound but no one hears me

**C#**

Im slipping off the edge

Im hanging by a thread

**E**

**B**

I wanna start this over again

**A**

**B**

**C#**

**E**

So I try to hold onto a time when nothing mattered

**A**

**B**

And I cant explain what happened

**C#**

**E**

**A**

And I cant erase the things that Ive done

**B**

No I cant

How could this happen to me

I made my mistakes

Ive got no where to run

The night goes on

As Im fading away

Im sick of this life  
I just wanna scream  
How could this happen to me

{SOLO}

I made my mistakes  
Ive got no where to run  
The night goes on  
As Im fading away  
Im sick of this life  
I just wanna scream  
How could this happen to me
