

Welcome To My Life

Simple Plan

(Capo 1)

C

Do you ever feel like breaking down?

Ami

Do you ever feel out of place,

F

Like somehow you just don't belong

G

And no one understands you?

Do you ever wanna run away?

Do you lock yourself in your room

With the radio on turned up so loud

That no one hears you're screaming?

F

No, you don't know what it's like

Ami

When nothing feels all right

F

You don't know what it's like

G

To be like me

Ami

To be hurt

F

To feel lost

C

G

To be left out in the dark

To be kicked when you're down

To feel like you've been pushed around

To be on the edge of breaking down

And no one's there to save you

Dm

No, you don't know what it's like

F xxxx **C**

Welcome to my life

Do you wanna be somebody else?

Are you sick of feeling so left out?

Are you desperate to find something more

Before your life is over?

Are you stuck inside a world you hate?

Are you sick of everyone around?

With their big fake smiles and stupid lies

While deep inside you're bleeding

No, you don't know what it's like

When nothing feels all right

You don't know what it's like

To be like me

To be hurt

To feel lost

To be left out in the dark

To be kicked when you're down

To feel like you've been pushed around

To be on the edge of breaking down
And no one's there to save you
No you don't know what it's like
Welcome to my life

F

No one ever lied straight to your face

Ami

And no one ever stabbed you in the back

F

C

G

You might think I'm happy but I'm not gonna be okay
Everybody always gave you what you wanted
You never had to work it was always there
You don't know what it's like, what it's like

To be hurt
To feel lost
To be left out in the dark
To be kicked when you're down
To feel like you've been pushed around
To be on the edge of breaking down
And no one's there to save you
No, you don't know what it's like (What it's like)

To be hurt
To feel lost
To be left out in the dark
To be kicked when you're down
To feel like you've been pushed around
To be on the edge of breaking down
And no one's there to save you
No, you don't know what it's like

F xxxxx **C** **Ami**

Welcome to my life

F **G**

Welcome to my life

C

Welcome to my life
