

# Don't Do Down

Simply Red

Some people out there are tryin' to bring me down  
But I won't let 'em  
No I won't let 'em  
Some people out there really let me down  
I don't regret 'em  
But I won't forget 'em

I love my life  
Love my wife  
And my baby

Some people are suggestin' maybe I should leave town  
But I ain't leaving (no no no)  
I ain't leaving (no no no)  
No I ain't leaving (no no no)  
No I ain't leaving (no no no)  
I don't do down (don't do down)  
I don't do down (don't do down)  
I don't do down (don't do down)  
I don't do down (don't do down)  
No I don't do down (don't do down)  
I don't do down (don't do down)  
I don't do down (don't do down)  
No I don't do down (don't do down)

If you need some lovin' soul  
I promise I won't let you down  
I'll be right here  
Let me tell you  
I will be right here  
Come on
