## Simply Red

**B As Es As**

**B F Es**

Watching love drifting away

**B**

And I feel like I'm someone else

**F**

The hurting is rough

**Es**

Long are the days

**B**

And you have hurt me enough

**F**

You're scared to be loved

**Es**

You know that's your way

**B**

Your youth has made you too tough

**F**

**Es**

You're hurting for love in so many ways

The truth has hurt you enough

**B**

I read a book

**As**

And it's your face

**Es**

**B**

Fake it's your face now, affecting

**F**

Still my love for you was no mistake

**Es**

Fake I will always love you

**Fake**

Hoping for love

Day after day

And it's always someone else

The hurting is rough

Long are the days

And you have hurt me enough

**Es**

You're burning your hair

**B**

**F**

On your cigarette, oh baby

**Es**

**As**

Turning your nose up

**B**

At the clothes your girlfriend wears

I don't care

I read a book

And it's your face

Fake...it's your face now, affecting

Still my love for you was no mistake

I will always love you, Fake

I read a book  
And it's your face  
Fake...it's your face now, affecting  
Still my love for you was no mistake  
I will always love you, Fake
