

## It's Only Love

Simply Red

It's only love  
It's only love

Don't be afraid to touch me babe  
Girl let's be real  
There's nothing wrong  
With the way we're carrying on  
So enjoy and live  
Because  
It's only love doing it's thing baby  
It's only love that you're feeling  
It's only love doing it's thing baby  
It's only love that you're giving

I wanna stay with you night and day  
Until the end of time  
It's OK when you lay  
Lay your body next to mine  
Because  
It's only love doing it's thing baby  
It's only love that you're feeling  
It's only love doing it's thing baby  
It's only love that you're giving
