

Slapbang

Simply Red

You were slap bang
In the middle of love
You made your rap bang
With your sleeves pulled up

Doo doo doo
Doo doo doo
Slapbang
Doo doo doo

Never before have I seen
Someone who could be such a dream in a dreary old world
Slapbang
Slapbang

And so I'm slap bang
In the middle of love
You made the rap bang
Now your juice has dried up

Doo doo doo
Doo doo doo
Slapbang
Doo doo doo

Never thought someone could be
As sweet and as lovely as you in a cynical world
Slapbang
Slapbang
Slapbang
Slapbang

Now I'm slap bang
In the middle of love
Slap bang
In the middle of love
