

Forget about the past 'cause I don't care  
I don't say the truth  
I don't choose the dare  
All these people trying to take my share  
But I ain't gonna let them see my dream  
'Cause this is my dream yeah yeah yeah yeah  
'Cause this is my dream yeah yeah yeah yeah  
'Cause this is my dream yeah yeah yeah yeah  
'Cause this is my dream yeah yeah yeah yeah  
Forget about the past 'cause I don't care

I don't choose the dare  
All these people trying to take my share  
But I ain't gonna let them see my dream  
'Cause this is my dream yeah yeah yeah yeah
