Sin Boy

I don't want your love
Just playing games
I don't know your mind
All I know is your face
I'm not the good guy
Oh baby I'm bad
I don't want to love you
Just fuck you instead

Fuck love
Fuck love
Fuck love
Fuck love
Fuck love
Fuck love
I'm not the good guy
Oh baby I'm bad
I don't want to love you
Just fuck you instead
Fuck love

Smoka di Bob Marley
So many mistakes I'm not sorry
Ruthless Gangsta like Tony
I'm the devil baby like seny
My life la vida loca
I trust only my chopper
I'm cooking baking soda
Are you thirsty?
My watch water
Fuck your trauma
I don't want drama
I got shit to do
Fuck your money
I got money too

Stop messing with my head
Stop messing with my mind
All my homies loyal
All my homies ride or die

I don't want your love
Just playing games
I don't know your mind
All I know is your face
I'm not the good guy
Oh baby I'm bad
I don't want to love you
Just fuck you instead

Fuck love
Fuck love

Fuck love
