

## Because You Live

Sinach

You paid the price  
The highest price  
Am so grateful  
For your love  
You took my place  
Now I stand  
To be called your very own

Because you live  
Jesus I live  
I have no fear  
Of what tomorrow brings  
Because you live  
Jesus I live today  
I live to praise your name

I live to praise your name  
I have no fear of what tomorrow brings
