

# Grateful

Sinach

Wave your hands to Jesus  
Hey  
Hmm

Grateful, so grateful, my heart is full of joy  
Lord I'm so grateful for all You have done  
(How many of you are grateful today?)  
Grateful, so grateful, my heart is full of joy  
Lord, I am so grateful for all You have done

Jehovah You have been so good to Sinach  
Your favour and Your love lifted me on high  
Jehovah You have been so good  
And I cannot tell it all  
But with my whole heart, I give to You all praise  
(Come on)

Grateful, so grateful for all that You have done  
(I am so) I am so grateful (For all) for all You have done  
(Just wave your hands to Jesus, say "Grateful")  
Grateful, (Grateful) so grateful for all that You have done  
I am so grateful for all You have done  
(Jehovah)

Jehovah You have been so good to me  
Your favour and Your love lifted me on high  
Jehovah You have been so good  
And I cannot tell it all  
With my whole heart, I give to You all praise  
(Now, Farlon Lyte)

Grateful, so grateful for all that You have done  
Father I'm grateful for all You've done, oh done  
Say grateful, so, so, so, so grateful for all that You have done  
Said I'm so grateful for all that You have done

Jehovah You have been, been, been, been, been, been, been  
So good to me, yeah, yeah  
Said Your favour and Your love, it lifted me on high, yeah  
Jehovah You have been so good, been so good, been so good, ah  
And I cannot tell it all  
Say, with my whole heart (With my whole heart)  
With my whole heart (With my whole heart)  
I give You all the praise  
(Martin PK!)

Grateful, so grateful for all that He has done  
I am so grateful for all You have done, ohh  
Listen, said, grateful, so grateful  
Said, for all that You have done  
Lord, I am so grateful for all that He has done  
Oh, oh, oh

Jehovah You have been so good to me, yeah, yeah  
Say, Your favour and Your love lifted me on high, yeah, yeah  
Jehovah You have been, ah, so good, ah  
And I just can't tell it all

With my whole heart (With my whole heart, with my whole heart)  
I give You, yeah (With my whole heart)  
(Jehovah)  
Jehovah You have been so good to me  
(How many of you are grateful? Come on)  
Your favour and Your love lifted me on high  
Jehovah You have been so good  
And I just can't tell it all  
With my whole heart, I give to You all praise  
(Jehovah you have been)  
Jehovah You have been so good to me  
(Wave your hands to Jesus, come on)  
Your favour and Your love lifted me on high  
Jehovah You have been so good  
And I just can't tell it all  
With my whole heart, I give to You all praise  
(Come on, I give to you all praise)

I give to you all praise, oh Lord, I give you praise  
I give to you all praise, oh Lord, I give you praise  
I give to you all praise, oh Lord, I give you praise  
I give to you all praise, oh Lord, I give you praise
